

MATH 4

Class Rules

CLASS RULES

ADDITIONAL TO THE SCHOOL'S RULES. THIS RULES APPLY TO MATH CLASS:

1. Have your material ready at the beginning of the session:
 - A Stitched Grid Notebook with 100 pages exclusive for math class. You can continue with the same notebook you used last semester.
 - Ruler
 - Scientific calculator (preferably CASIO)
 - Blue pen, pencil, eraser.
2. Questions will only be answered during the class session.
3. If I call someone to participate and they don't respond at that moment, it will affect your participation grade. (-1)

4. When the teacher asks a question to the class during an explanation, activate your microphone to answer and then turn it off.
5. Feel free to have a beverage and take a drink during class. But eating is not permitted during class.
6. Read carefully the instructions of every activity before doing your work and make sure to follow the complete instructions to get a full score.
7. Write your first name and last name with blue pen in each page of your assignments.

8. Answers to problems without the written solution process will not be accepted.
9. Upload your assignments on time. If you turn in your work late, your highest grade on that assignment can only be 7.
10. Make your own assignments. Plagiarism won't be tolerated.
